Experience

Buda.com
Remote, Chile

Customer Support
Provided support to users of the cryptocurrency exchange. Helped in the detection of frauds and in the implementation of protocols for the attention of risk cases. I created several video tutorials for internal and corporate users.
2021-2022

2022

DiDi Taxi
Santiago, Chile

Driver's support
Generated closeness between cab drivers and the mobility company, in addition to document management and health support at the beginning of the pandemic.
2020

2019

Banco de Chile
Santiago, Chile

Customer Service
Achieved recognition for the quality of my service, in addition to a promotion. Provided incident resolution to corporate and individual clients, managing confidential data.
2016-2019

Experian
Santiago, Chile

NCAC/MCE
Handled credit disputes and confidential data management for U.S. consumers. By its nature, this work was performed entirely in English.
